Calliden appoints Regional & Rural National Underwriting Manager

Calliden is pleased to announce the appointment of Mike Case as the National Manager, Rural & Regional. In this role, he will be responsible for the underwriting of Calliden's Regional & Rural portfolio distributed via ARGIS. He will be working closely with ARGIS to ensure the continued delivery of leading edge insurance products to the Regional & Rural Australian market.

Calliden's Group Executive, Insurance Operations, Robert Walliser said "Our regional & rural brand ARGIS is already well established in this sector of the Australian insurance market. Calliden views the regional & rural sector as a key area for additional growth, and Mike's expertise will support our ambitions in this regard".

Mike Case joins the Calliden Group bringing over 30 years experience in the insurance industry, most recently having spent time at CGU. He will be based in Calliden's Brisbane office.
