MEDIA RELEASE

Home Indemnity Insurance continues to be available in Western Australia through Calliden

On the 28th of June 2010, the Government of Western Australia reached an agreement with Calliden Insurance Limited (Calliden). This agreement enables Calliden to continue to provide Home Indemnity insurance in Western Australia and support the Governments transitional plan.

This follows Vero's announcement earlier in the year, that it would no longer write Home Indemnity Insurance in Western Australia after 30 June 2010.

Nick Kirk Calliden Group's Managing Director and Chief Executive Officer said

"Calliden is pleased to have maintained its position of providing home indemnity insurance to Western Australian builders and home owners. We will continue to work with our intermediary partners in Western Australia to ensure continuity and a seamless transition to the new arrangements."
