MEDIA RELEASE

Calliden to invest further in Warranty and Construction system

Calliden and Ellington Management and Information Services have reached an in principle agreement to transfer the Construction Insurance System (CIS) product to Calliden along with key staff.

This is a further investment by Calliden in the Builders Warranty market and enables Calliden to become the direct owner for this market leading system.

Calliden will directly manage the CIS product, which is integral to how Calliden delivers Builders Warranty insurance through its intermediary partners.

Calliden provides Domestic Builders Insurance in Victoria , Builders Indemnity insurance in South Australia and Home Indemnity Insurance in Western Australia through a number of intermediary partners.

In NSW Calliden operates as an agency of the NSW Government Scheme for home warranty insurance underwritten by the NSW Self Insurance Corporation.
