Trade Contractors insurance on Callibrate

We've made processing Trade Contractors business easier, our rates more competitive for eligible occupations and we have increased the cover available.

Calliden's First Option Business Insurance provides your trade contractor clients with Broadform Liability cover with the option to insure Business Property, plus General Property (such as tools) away from their premises.

Increases to cover provided by endorsement include:*

-  Broadform liability to include sub contractors.
-  Broadform liability to cover construction activities for contracts up to \$500,000 in value, which your client undertakes.
-  General property unspecified items cover up to \$2,500 for any one item and up to \$1,000 cover for your clients' GPS navigation device.
-  General property cover for your clients' dog, \$1,000 limit for any one Period of Insurance.
